The Robertshaw® IgnitorPro™ Universal Ignitors are gas furnace hot surface ignitors and the perfect truck stock item. They replace over 150 ignitors currently used in the field. To allow for universal applications, mounting brackets and hardware are included. Robertshaw IgnitorPro Universal Ignitors are recommended for operating voltage of 120V AC.

Features and Benefits

41-803N

- 120V Round Nitride Ignitor
- Replaces over 150 HSI ignitors
- Replacement for White-Rodgers HotRod 21D64-2
- 3 year limited warranty

41-802N

- The ultimate in silicon nitride with technology from Kyocera™ for the best durability
- Flat blade heating element for best heat dissipation
- Replacement for Honeywell Glowfly Q3200U1004
- 3 year limited warranty

41-803

- High density silicon carbide
- Flat blade heating element for good heat dissipation
- 1 year limited warranty

Use our universal ignitors to replace over 150 competitor's ignitors including the Honeywell Glowfly™ and White-Rodgers HotRod. For a complete replacement cross reference visit the Resource Center at www.robertshaw.com. Our ignitors can replace any one of the OEM part numbers listed.
