7 Day Programming Overview

Touchscreen Models

**SpeedSet™ Programming Mode**
(Programs all 7 days at once)
Press and hold the PROG TouchPad for approximately 3 seconds

**Standard Programming Mode**
(Programs individual days)
Press the PROG TouchPad once.
Select individual days with the DAY/TIME TouchPad

When in the program mode, the BACK, NEXT and RETURN buttons appear and are used to move through the program schedule. Use the SpeedBar to modify the current program selection. Press RETURN to exit the program.
