Description

The Robertshaw® 6700 Series Electronic Range Thermostats are available with Automatic Preheat, Pilot Light, and Variable Broil. They are available with a 36” or 60” capillary. The 6700G0001 is a universal model that can replace most single and double pole thermostats and comes with a replacement knob kit. The 6700 series thermostats are CSA and UL approved.

Features and Benefits

- Universal model available for single and double pole applications
- Break-off shaft
- Automatic preheat, variable broil and pilot light features available on various models
- UL and CSA certified

Applications

- Range and Oven Appliances
