Description

The Robertshaw® Wall Thermostat Guards protect thermostats from tampering, accidental adjustments, and damage. Designed to fit a wide range of thermostat models, this durable guard provides a secure barrier while maintaining clear visibility and easy access for authorized personnel. Constructed from high-impact, transparent material, the guard allows temperature settings and displays to remain visible without removing the cover.

Features and Benefits

- Universal fit for most wall-mounted thermostats
- Clear, durable construction for easy thermostat visibility
- Vents in guard base allow airflow for accurate temperature reading
- Easy wall-mount installation for vertical and horizontal mounting

Applications

- HVAC Wall Thermostats
